To Whom It May Concern:

I am pleased to be writing this letter of recommendation for Jesse Hart. Jesse is an energetic and outgoing young man. He is an excellent student and role model, committed to doing his very best. I find Jesse to be an independent and creative thinker as he applies himself to his many interests and commitments. Jesse actively participates in a variety of co-curricular activities including sports, student government, and Key Club. He is a scholar athlete, that alone says a lot about Jesse.

As President of the Key Club, Jesse has done an outstanding job. He has worked hard to build club membership. Jesse has planned many successful fundraising events that allowed the club to be of greater service to the community. He has also been a wonderful liaison between the Key Club and our Kiwanis sponsors.

Jesse's academic accomplishments, numerous memberships, and service to the community go far beyond simply being impressive. Even with all of his activities and commitments, Jesse always has a smile on his face and a kind word to say.

Jesse is truly a special person. I am confident that any position or program he may be selected for would benefit from his involvement. He understands commitment and is always eager to go the extra mile.

Should you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Cinda Harmes".
